

# Murder of Crows™

## Second Edition

A lightweight card game where players uncover the story of a murder most fowl.

### Key Selling Points

- When a player wins by spelling M-U-R-D-E-R, those cards' flavor text combines to tell the homicide's tale.
- A fast game with quick turns, compact size, and a low price point.
- A great gift idea or add-on sale for horror and mystery fans.
- Second Edition has several improvements, cards are now tarot-sized, and optional two-player variant has been added, and it now comes packaged in a convenient tin case.

### What It's About

Every murder has a story...

*"A cool breeze danced... in a grove of weeping willows when...  
Scarlet Moonbeam... with a burning vengeance...  
used chopsticks to impale... Heidi Harmony!"*

### Gameplay Basics

- Second Edition includes **The Murdered Third**, an optional two-player variant. Players will draw for a "murdered" third player and apply the negative effects of that card.
- Each letter card has a simple ability. For example, "U" is for "Uncover": When you play it, everyone else reveals their hands, and you take a card from someone.
- Every card can be used to counter opposing plays, by matching the number of crows that appear.
- Spell M-U-R-D-E-R to win!

### Vital Stats

- Stock AG1342, ISBN 978-1-58978-178-8, MSRP \$14.95.
- Contains 61 tarot-sized playing cards.
- 2-5 Players, 20 Minutes, Ages 13+.
- Tin size 5.83" x 4.65" x 1.6", case count 6.
